BmChat

The Banco de Moçambique has introduced a new virtual assistant, BmChat, across its public communication channels, enabling users to quickly and securely access statistics rendered by the central bank, credit data, interest, exchange and inflation rates, and other information made available by the institution.

BmChat is available on the Banco de Moçambique's website (www.bancomoc.mz), on Facebook Messenger (<https://web.facebook.com/bancomoc>) and on WhatsApp at 84 316 8500.

Use BmChat and enhance the way you interact with the Banco de Moçambique.
