

MICROCREDIT OPERATOR REGISTRATION UPDATE

As part of its mandate, the Banco de Moçambique hereby informs all **registered microcredit operators** that the **registration update process** will take place from **11 September to 10 October 2026**, in order to confirm and validate their registration details.

The registration update may be completed electronically by following the link below or in person at Banco de Moçambique branches.

For the purposes of verifying their registration details, microcredit operators must present an **identification document and registration certificate**.

Failure to update their registration details within the deadline may result in the application of measures provided for by law, including, where applicable, revocation of their registration.

For further information, please contact the Banco de Moçambique at **cadastro.operadores@bancomoc.mz**
